

Central Kitsap School District

PARENT PERMISSION FOR STUDENT GMAIL ACCOUNT

(Grades 6, 7, & 8)

Central Kitsap School District is pleased to offer students in the middle school grades access to a filtered student Gmail account. Because electronic mail plays a critical role in today’s modern communication, we believe it should play an equally critical role in the educational experience CKSD provides to students. Students are encouraged to become effective communicators in preparation to become career and college-ready in the 21st century. If there is any reason to believe that violations of law or district policies have occurred, CKSD maintains the right to immediately withdraw the access to and use of student Gmail. In such cases, the alleged violation will be dealt with per district policies.
